

JOB DESCRIPTION Position: Senior Associate

PQE: 6-10 years

Remuneration Fee: As per industry norms

Department: Intellectual Property

Location: Mumbai

Desired Profile

We are hiring a Senior Associate – IP Litigation with a strong understanding of Intellectual Property Laws, including trademarks, copyrights, patents.

The role involves:

1. Handling IP litigation (Civil + Criminal side) at various levels of Judiciary including High Courts and Supreme Court;
2. Drafting all court applications, petitions to enforce or defend any infringement/passing off action;
3. Appearance before courts for arguments- both offensive and defensive cases;
4. Handling IP oppositions before quasi-judicial authorities;
5. Provide strategy on enforcement including advisory to client;
6. Assisting the Firm on matters other than IP, such as Civil and criminal matters – as and when required;
7. Manage Court cases including day to day docketing and file management
8. Making a sound database of IP precedents
9. Liaise with government authorities, regulatory bodies and other third parties on IP matters.

Technical Skills:

- Representing clients in court or before administrative tribunals to enforce or defend their IP rights.
- Sound knowledge of IP cases, IP prosecution before quasi-judicial authorities; strategy making for litigation, oppositions, offensive or defensive actions.
- Apt acumen for legal research on intellectual property laws, regulations, and precedents.
- Managing of court actions including day to day docketing and file management
- Drafting of cease-and-desist letters, oppositions;
- Experience of providing opinion on IP contentious / dispute matters.
- Experience on negotiation
